World Class Dogsledding in a World Class Setting

The comforts and elegance of “The Balsams Grand Hotel” combined with 15,000 acres and New England Dogsledding’s amazing canine athletes and highly trained staff equate to:

A truly incomparable “Natural and Elegant Holiday”

The Balsams pristine 15,000 acre Wilderness trail system-with over 60 miles of groomed high elevation trails-is an unparalleled natural setting, similar to the wilds of the Rockies and Alaska’s mountain terrain, right here in the accessible New England region. Dogsled through uncut pristine northern boreal forests of Balsam Fir trees, a landscape of mountains and lakes with prolific wildlife of moose, deer, coyotes, black bear, hawks and much more. Because of the high elevation and northern location the snow conditions are always the Best in the East.

•These Mushing packages are one of the highest quality and most fun offered within the North Eastern United States if

not the country.

•Learn how to run, manage, and care for a very athletic squadron of racing Alaskan Huskies - your dream vacation. We will start off the first day by running large teams of 10-14 dogs on a breathtakingly beautifully scenic 10 to 20 mile outing. You will be accompanied by a skilled Musher guide, to help you,

•Learn and develop the skills you will need to be able to run your own team over the next few days. The following days we will break the squadrons down into 4-6 dog teams (depending upon snow conditions), and if you have learned your skills well, you will be driving your own dog team through the winter mountainside trail system.

•These dogs are the real thing, winning genetics, highly trained and socialized, and the experience they offer you is a very authentic one.

•Each day here will include a half day of educational and fun dogsledding, with the other half day available for snowshoeing, Nordic skiing, downhill skiing, or just kicking back and relaxing at the amazing Balsam’s Resort.

•The Historic Balsam’s, where the dining is world renowned. Dine in either the Grand Hall (Jackets required for men) or in the comfortable and causal Tavern. In either restaurant the food and service is stellar.
